Description

Information is collected from owner-occupiers (as well as for the accommodation provided rent-free or accommodation rented at a reduced rate) on what they estimate to be the potential monthly market rent of their dwelling. The amount refers to the value of the rental of an unfurnished dwelling; it also includes payments for the use of a garage to provide parking in connection with the dwelling.

Payments such as for electricity, heating etc., should be excluded. Regular repairs and maintenance and other services related to the dwelling should also be excluded.

The amount provided should be in the national currency.
